**This year's seminar will focus on several occupational health and safety issues confronting the aggregates and contractor industries today. Attendees will be introduced to the information and tools necessary to protect their personnel, avoid penalty assessments and ensure continued operation of their plants.**

This year's topics cover a wide range of safety related matters that impact everyone in the aggregates industry. All levels of company management are encouraged to attend the seminars to learn insights that will make certain facility operations safer. Anyone involved with the safety and welfare of those working for or with them should attend these sessions. This includes senior safety managers, front-line supervisors, hourly workers and independent contractors.

**Optional This Year: Portions of the Safety Seminar program can count toward MSHA Annual Refresher Part 46 training!**

**Tentative Topics**

- **Accident Investigation:** *MSHA Representative*
- **Musculoskeletal — Back Sprains and Strains:** *Ronnie Vaughan, Gallagher Bassett*
- **DMM Updates:** *Conrad Spangler, Director of DMM*
- **Task Training — Train the Trainer, Competent Person Focus**
- **Fall Rescue — Suspension Trauma and Recovery**
- **MSHA Updates:** *Jim Petrie, MSHA District Manager*
- **Proper Pre-Shift Examination and Documentation for Plant and Pit Areas**
- **NSSGA's Efforts to Spearhead Workplace Safety:** *Joe Casper, VP Safety Services, NSSGA*

**DOOR PRIZES** will be given away during the meeting again this year.

**Corporate Lunch Sponsors**

To recognize your support, your Company's name and logo will be placed in the Seminar Agenda that is handed out to each attendee, on the tables during lunch and verbally recognized during the program. In addition to the onsite publicity, your company's commitment to our organization will be recognized in the January Blue Top.
